

Gateway Boulevard

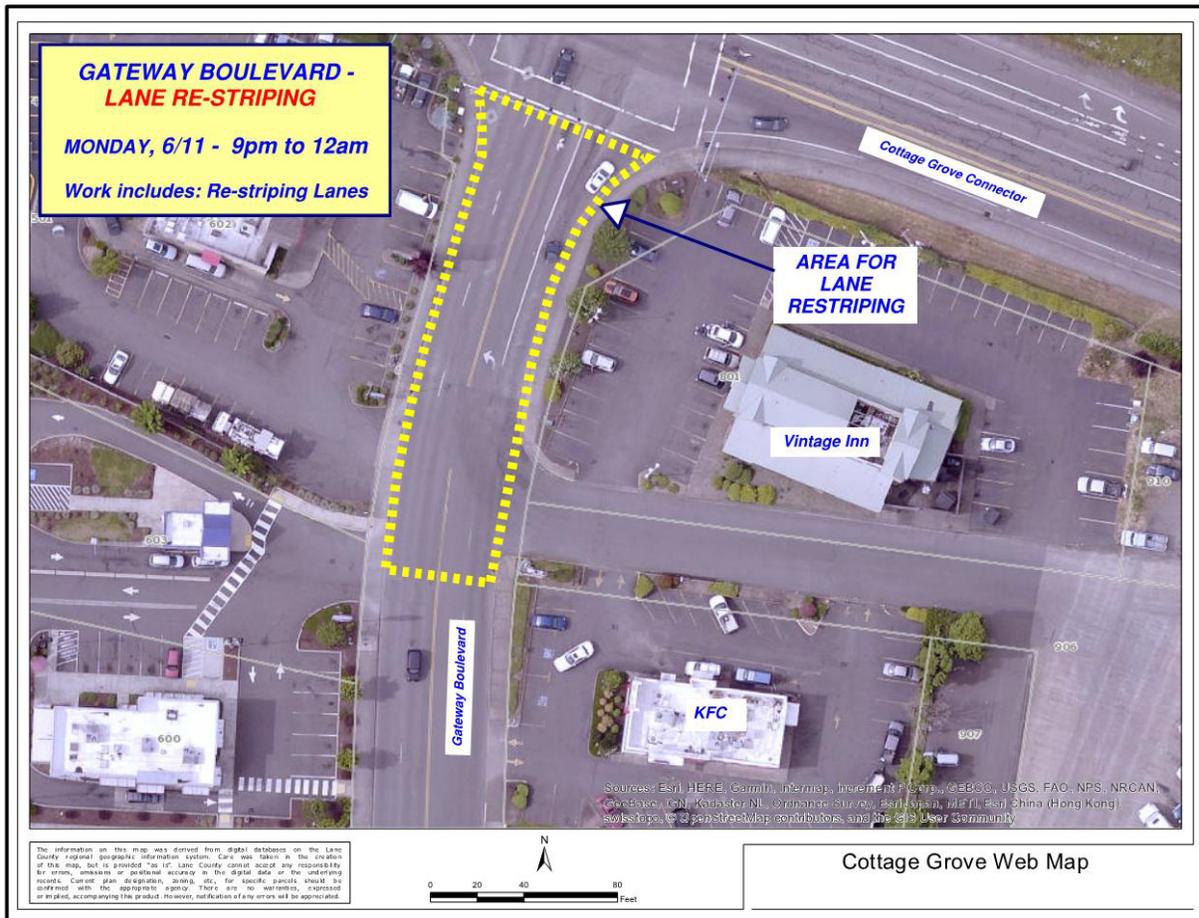

The lanes will be **re-striped** during the night of Monday, June 11, beginning at 9pm and ending at approximately midnight.

The work will include the brief closure of the north end of Gateway Boulevard at Cottage Grove Connector.

Two detour routes through town will be established to assist drivers' access to and from businesses located on Gateway Boulevard.

The closure is needed to ensure that the project is completed as promptly and efficiently as possible.

- Click the attachment to review the contractor's memo and detour diagrams.
- Please call the city's Civil Engineer, Ryan Sisson, (541-767-4153) with any concerns or questions.

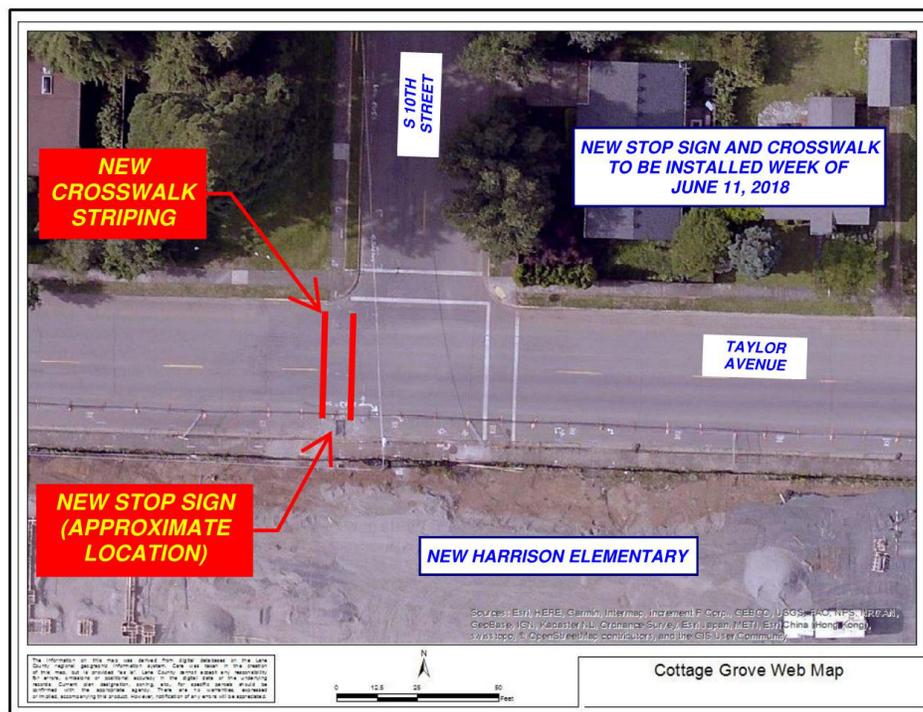

Gateway Boulevard Improvements, June 11, 2018

NEW STOP SIGN COMING TO THE INTERSECTION OF S 10TH STREET AND TAYLOR AVENUE

During the week of June 11, a new **STOP** sign will be added to the intersection of Taylor Avenue at S 10th Street.

Eastbound vehicles on Taylor Avenue approaching the intersection will be required to stop at S 10th Street.

A new crosswalk will also be added on the west side of this intersection with accessible pedestrian ramps.

Drivers: The safety of our community's children is in your hands.
